

20 SCHOOLDAY QUESTIONS

Tell me three things that happened today.

Who did you sit by at lunch? What did you eat?

What was the funniest thing that happened at school today?

Did you see anyone being kind today? What happened?

Were you upside down at any point today?
What were you doing?

What was the most boring part of your day?

What is the most interesting thing that you heard today?

If you were allowed to write on the wall at school,
what would you have written today?

What is something you wish your teacher had noticed
today that she/he didn't?

Did you daydream today? Where did you go?

If you could sit anywhere in your classroom,
where would it be?

What was one thing you did really well today?

Did you hear a word you didn't know? What was it?

Is there someone you would like to play with at
recess tomorrow?

What did you do that exercised your body today?

What has your teacher mentioned that you are
looking forward to?

What did you read today?

If you were planning a field trip for your class tomorrow,
where would you go?

If you had been principal today, what is one change you
would have made?

What is your teacher really good at doing?
