

Hello!

We've never met, but I'm Gordon and I love meeting new people in Rochester. My mom said you may not have a lot of visitors right now so I just wanted to say, HI!

Age: Even if you didn't ask, I'd tell you my birthday is on June 5th. I'm almost 3! :)

My Brother: Baby brother Crosby (9 months) really wants to crawl, but can't yet. I try picking him up, but my mom says I shouldn't do that. He smiles a lot and laughs at me when I tickle him or play peek-a-boo. He splashes in the bathtub really hard so I think he's going to like the lake this summer, too.

Favorite Summer Activity: I LOVE swimming in the lake at our family cabin near Alexandria. I got a fishing rod for Christmas and can't wait to actually cast in real water instead of down our stairwell. I love fresh air and play in our backyard every day.

Favorite Sport: I play hockey every day, too. But, really anything I can swing and a ball makes me happy. I'll probably go tubing behind our pontoon this summer - that's going to be really fun!! People say I'm super active and really busy, but I really love reading stories with my parents, too. Is reading a sport? I like all sorts of books.

I hear you guys play fun games. I love games. Maybe some day I can visit and play dice? I love rolling them off the tables! I have to go now, but I really do hope you have a nice day today.
