They never let poor Rudolph
Join in any reindeer games
Then one foggy Christmas Eve
Santa came to say
Rudolph, with your nose so bright
Won't you guide my sleigh tonight?
Then how the reindeer loved him
As they shouted out with glee
Rudolph the Red-Nosed Reindeer
You'll go down in history!

Christmas tree
 Let the Christmas spirit ring
 Later we'll have some pumpkin pie
 And we'll do some caroling
 You will get a sentimental feeling when you hear
 Voices singing, let's be jolly
 Deck the halls with boughs of holly
 Rockin' around the Christmas tree
 Have a happy holiday
 Everyone dancin' merrily
 In the new old-fashioned way

Let it Snow, Let it Snow, Let it Snow!

Oh, the wea-ther out-side is fright-ful But the fire is so de-light-ful And

since we've got no place to go Let it snow, let it snow, let it snow! Man it

doesn't show signs of stop-ping and I've brought some corn for pop-ping The

lights turned way down low Let it snow, let it snow, let it snow! When we fi-nally kiss good-

night How I'll hate go-ing out in the storm But if you real-ly grab me tight

all the way home I'll be warm. The fire is slow-ly dy-ing and my dear were still good-

bye-ing but as long as you love me so Let it snow, let it snow, let it snow!

There must have been some magic
In that old silk hat they found
For when they placed it on his head
He began to dance around

Frosty the snowman
Was alive as he could be
And the children say
He could laugh and play
Just the same as you and me
